AutoNation Critical Illness Insurance Plan Filing claims for benefits couldn't be easier

Get cash benefits fast

You can get cash benefits when a stay in the hospital happens to you or a covered family member.

Remember, that's why you signed up.

It's easy to submit claims on the mobile app or member portal

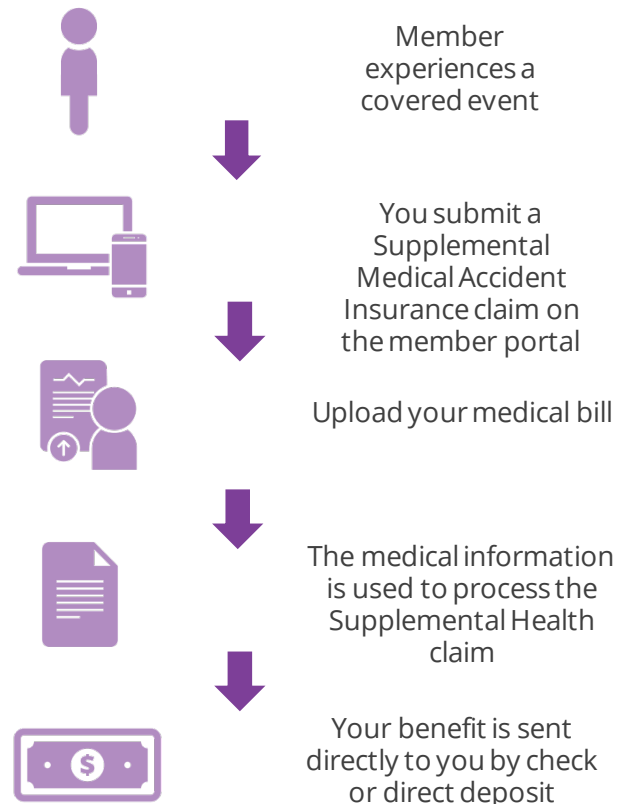

Here's how it works:

Members can access the app at **My Aetna Supplemental** or the portal from www.Myaetnasupplemental.com. You'll need your Member ID or social security number to register.

1. Click on "Report New Claim."*
2. Follow the steps and answer the questions.
3. Upload your medical documents.
4. Review your claim for accuracy and submit.

*Please note: if you file a Critical Illness claim for a cancer diagnosis, your AutoNation Cancer Insurance claim will also be automatically filed.

You can get cash benefits for taking care of your health. Your plan includes an annual \$50 wellness benefit for a covered health screening. Follow the same steps to file a claim and reap the cash rewards.

That's it. Filing a claim is really that simple.
